# REGISTRATION TO APPLY FOR CORPORATE DISCOUNT

**This form should be used if you are a business (be it, for example a company, LLP, sole trader or partnership) and you wish to have a dedicated discount code created for your employees. We have listed below some terms and options for the discount, however we hope you use this discount in the spirit it was intended for, to enable more walkers to sign up and more donations to be raised for our deserving charities!**

**By returning this document to us you confirm you agree to and understand the below statements:**

- 1) You will provide a minimum donation of £500 to the Around the Island Walk Trust\*.
- 2) The discount code will be applicable until the day of the walk unless you request in writing for it to be deactivated earlier and we have confirmed this has been completed. We will automatically deactivate your discount code when the specified number of participants or individual emails have registered.
- 3) Registration fees will increase from lower "early bird" rates at launch through to late entry fees closer to the day. Prices will range from £37 per person for an Early Bird Lieutenant Governor's Walk ticket up to £300 for a super late entry Relay ticket (this amount covers for 4 people, i.e. £75 per person). We will apply the discount to the fee at the time of each participant's registration (i.e. it is worth ensuring your eligible participants apply earlier with the early bird prices rather than later as it will save you cost, although later entry fees do mean more money for the charities!).
- 4) We will discount the registration fee of each registration using your discount code (inclusive of processing/surcharge cost) by the discount percentage you select in this form.
- 5) Your entries can choose either the Lieutenant Governor's walk, the Main Walk or the Relay.
- 6) You will transfer the equivalent amount discounted for all entries completed under the provided discount code to the Island Walk bank account within 30 days of receiving your final invoice from Around the Island Walk Trust, assuming your total cost has exceeded your initial £500 donation.
- 7) The Around the Island Walk Trust accepts no responsibility for unauthorised use of a corporate discount code provided to you  
Once we supply you with your dedicated discount code, we cannot control who gets access to it beyond limiting by volume or email addresses you provide us. We are not under any obligation to verify that participants presenting your code at registration have your permission to do so.
- 8) Whilst the Around the Island Walk Trust will endeavor to provide you with updated information on the number of applicants on your discount code, provision of any further details will be within the confines of applicable privacy protection legislation, such as the Data Protection (Jersey) Law 2018.

\*This £500 will be deducted from your overall cost but is non-refundable should you have registrations below this amount. Once you submit this form, we will generate an invoice for you – when this has been paid, a discount code will be set up for you
