- There is no need to officially check-in. Take your time to have a drink, eat or attend to those sore feet!
- Walker bags are stacked in "IN" and "OUT" piles. Remember to leave your bag in the "OUT" pile before leaving each checkpoint, so we can deliver it to the next checkpoint – look out for your personal luggage tag.
- When you are ready to continue, put your bag in the OUT PILE and head to the CHECKOUT DESK
- ENSURE THAT MARSHALLS SCAN YOUR WALKER CARD TO TRACK YOUR PROGRESS WHEN YOU CHECK OUT
- If you do need to retire because of fatigue, or injury, PLEASE NOTIFY AN OFFICIAL at the Checkpoint.
- Try to maintain target pace to reach all Checkpoints before they close. From Grosnez onwards we reserve the right to retire you from the walk. Please don't be offended if asked to retire, but it will be in your best interests to do so.

Please remember **THIS IS NOT A RACE** and enjoy the wonderful views along the beautiful coast of Jersey!

SAFETY

- Drink plenty of fluids throughout the walk.
- Walk with someone – try not to walk alone.
- Protect your head and use sunscreen or sun block.

Look after your feet - if your feet, knees or hips are getting too painful **STOP** at a Checkpoint, or stay on the route, ask others to relay a message to Marshals and wait.

YOUR BAGGAGE

- Thanks to our friends at Jersey Post and Jersey Landrover Owners Club, we can transport your bag between Checkpoints.
- Attach your personal luggage tag to your bag.
- Just pack essentials into 1 small sized holdall/rucksack.

- Then, head into the large marquee to get a well-earned drink. You should also be able to get a massage for those sore feet!
